

Soccer Report  
Caleb  
2010

# Questions I Will Answer

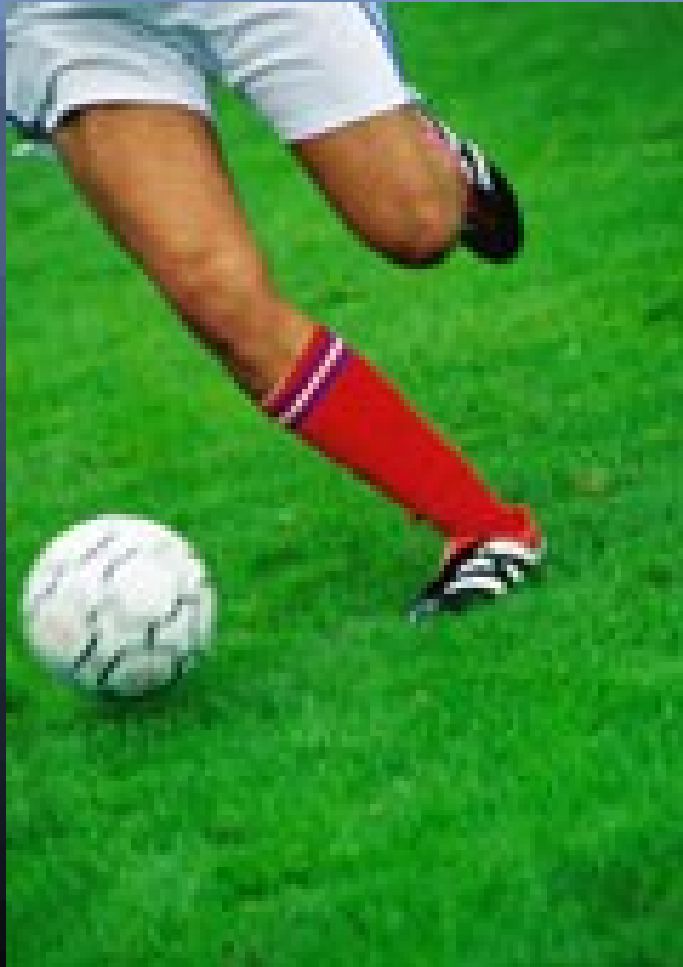

- How is soccer played
- What are some records of players
- What is the history of soccer
- Who are some players with side jobs

# How Is Soccer Played

- Soccer is played with halves and quarters
- Usually 12 minute or 25 minute halves
- Soccer is played with cleats and shin guards and a jersey

# What are some records of players

- Steven Gerrard had the fastest kick which is 136mph
- David Beckham had the most goals which is 10
- Wayne Rooney had the most passes which is 85

# What Is The History Of Soccer

- Invented in mid 1800's
- By Desmond Halsch
- In London, England
- The ball was made of leather, at first stuffed, then in later times inflated so that it carried farther

# Other Things About The History

- The feet and body, but not the hands, were used to propel the ball. In an aristocratic version played in front of the palace, the opposing team tried to kick the ball through a tiny hole in a silken net. Even the emperor would occasionally take part. Women also played in a version of the game with eight players called eight Immortals crossing the sea.

# Who Are Some Players with Jobs

- Steven Gerrard
- David Beckham
- Wayne Rooney
- Jason Cole
- Allen Cole
- Patrick Robinson
- Omar Brovo
