

In class, you completed the graphic organizer from page 264. Now, find one example, **from your life,** for each of the Unit 4 Lesson topics.

Lesson 1: People in a community work together.

Lesson 2: People work together to make a product or provide a service.

Lesson 3: People choose the products and services they buy.

Lesson 4: People trade, or barter, with each other.

Lesson 5: Products/services get to market in different ways.
